STANFORD, KY., TUESDAY, JANUARY 8, 1907.

NO. 84.

## Swear Off.

Swear off growling,  
Being blue,  
Swear off scowling—  
That won't do.  
  
Swear off sighing,  
Swear off tears,  
Swear off foolish,  
Empty fears.  
  
Swear off putting  
Off good deeds  
Till too late,  
The moment speeds.  
  
Swear off running  
Into debt,  
The' you've never  
Done it yet.  
  
Swear off seeming  
Hard to please,  
Swear off being  
Ill at ease.  
  
Swear off knocking  
On other chaps  
Even with the  
Lightest raps.  
  
Swear off thinking  
That you're it,  
When you aren't a  
Little bit.  
  
Swear off swelling  
Up to blow,  
Swear off telling  
All you know.  
  
Swear off spending  
All you make,  
Swear off grabbing  
All the cake.  
  
Swear off fussing  
At your wife,  
If you have one—  
Swear off strife.  
  
Swear off all that  
Should be sworn  
As you'd drop a  
Garment worn.  
  
Swear—be careful  
What you do—  
Off your old bad  
Habits, too.

Mrs. Michael Hart, wife of the superintendent of Cart Service, at Kingston, Jamaica, West Indies Islands, says that she has for some years used Chamberlain's Cough Remedy for coughs, croup and whooping cough and has found it very beneficial. She has implicit confidence in it and would not be without a bottle of it in her home. Sold by the Stanford Drug Co.

Philadelphia police say they have established to their own satisfaction that the bomb-thrower who wrecked the Fourth-street National Bank's office, killing the cashier and himself, was Rollo Steele, of Iowa. The room he occupied at a cheap hotel Friday night was found to contain fuses, detonating caps, a revolver, cartridges and tools.

## Wise Counsel From the South.

"I want to give some valuable advice to those who suffer with lame back and kidney trouble," says J. R. Blankenship, of Beck, Tenn. "I have proved to an absolute certainty that Electric Bitters will positively cure this distressing condition. The first bottle gave me great relief and after taking a few more bottles, I was completely cured; so completely that it becomes a pleasure to recommend this great remedy." Sold under guarantee at Penny's Drug Store. Price 50c.

John Huff rescued from drowning two young women who were with him in a boat which overturned in the river near Harlan, swimming safely to shore with them after much difficulty.

The body of Sam Watson, a switchman, was found in the railroad yards at Paris completely severed at the hips, and the trainmen believe he was murdered.

Andrew Carnegie has given \$50,000 to build a Creek memorial hall at Okmulgee, I. T., in honor of the celebrated Creek, Chief Esperhacker.

The saloons went out in the same day that street cars came in. Pretty good trade for the health and decency of Somerset.—Somerset Republican.  
Monroe Lackey, of Waco, vice-president of the Waco Deposit Bank, Madison county, and one of the oldest and best-known dry goods merchants, is dead.  
Will Harvey, a Negro, was hanged at Mayersville, Miss., three minutes before notice that his sentence had been commuted reached the sheriff.

The saloons did an immense traffic at Harrodsburg Monday, their last day, and all sold out the liquor on hand. People were there from Boyle, Washington, Jessamine and Garrard to lay in a supply of liquor, and it went away by the case, gallon, quart and jug, says a dispatch.

Three lives were lost in a fire which destroyed hotel at Delhi, N. Y.

Three firemen were killed during a fire that burned Hill's paper warehouse on Roosevelt street, New York City.

A man who gave his name as E. G. Williams hurled a bomb in the Fourth-street National Bank at Philadelphia. The resulting explosion tore the bomb-thrower to pieces and killed W. Z. McLear, the assistant cashier. Several other employees of the bank and passers were injured. Two of those hurt may die. The bomb thrower had demanded money from the president, Richard H. Rushton. When this was refused he took the missile from under his coat and hurled it at Mr. Rushton.

## The Grip.

"Before we can sympathize with others, we must have suffered ourselves." No one can realize the suffering attendant upon an attack of the grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy not one case has ever been reported that has resulted in pneumonia or that has not recovered. For sale by the Stanford Drug Co.

An Alabama man has discovered a way to separate limburger cheese from its scent. Now for the man who can amputate the jag from the booze.—Atlanta Georgian.

## Disturbed the Congregation.

The person who disturbed the congregation last Sunday by continually coughing is requested to buy a bottle of Foley's Honey and Tar. G. L. Penny.

## An Insidious Danger.

One of the worst features of kidney trouble is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. G. L. Penny.

The Texas Railroad Commission has ordered a reduction of 20 per cent. in Pullman seat and berth rates in that State, and a fight is on. It is hoped that the commission will win out. The Pullmans ought to be made either to reduce their rates or not compel their patrons to pay the porter, thinks the Kentucky State Journal.

The body of Sam Watson, a switchman, was found in the railroad yards at Paris completely severed at the hips, and the trainmen believe he was murdered.

Andrew Carnegie has given \$50,000 to build a Creek memorial hall at Okmulgee, I. T., in honor of the celebrated Creek, Chief Esperhacker.

Miss Ollie Weaver, of Bronston, is the guest of Miss Mollie Walden at "Violet Slope."

Our business men speak in no uncertain tones regarding their business up to date. Their stocks have been large, as well as their trade, necessitating a heavy replenishing in every line. Another evidence of the healthy conditions is shown by the reports of our two banks, whose deposits are about \$175,586. The Peoples Bank had a deposit of \$41,530 at the close of its four months' business.

There is nothing that gives more lasting pleasure to any community than good roads. They enhance the value of adjacent lands, aid the horny-hand toiler in marketing his crops and allow him to keep in touch with the world by getting his mail over rural route each morning. We have the best material known for road building (gray limestone) beside every pike in the West End of the county and we pay a tax sufficient to have good roads. Why haven't we got them, is being asked by hundreds of taxpayers. It is not because work has not been done, but solely from the fact that no judgment was used in doing it and no metal put where needed worst. Ditching in December and throwing up ridges of dirt five to 10 inches high, running parallel with and four feet from the center of the pike, holding in this eight-foot canal all the water falling therein, making one continuous "mud canal" from Edgar Reyolds' to the Casey county line. Such roads are enough to obscure the sunshine of any man's life.

Jay Bird was foaled in 1880 and was by George Wilkes, 2:22, dam Lady Frank, by Mambrino Star, 2:28. Jay Bird was a noted sire of fast performers, having 110 in the 2:30 list and five in 2:10 list.

Efforts have been begun to bring together the two factions among the tobacco growers of Caldwell county and it is hoped that some satisfactory arrangement may be made by which the war between the association and anti-association growers may come to an end, says a dispatch. A meeting of the association growers was held in the court house at Princeton and a committee was appointed to meet with a similar committee from the opposition.

Cured of Lung Trouble.

"It is now 11 years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Kershaw, S. C. "I had run down in weight to 135 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months, when my cough and lung trouble were entirely gone and I was restored to my normal weight, 170 pounds."

Thousands of persons are healed every year. Guaranteed at Penny's Drug Store, 50c and \$1. Trial bottle free.

ONE of the reasons for the success of "Along the Kennebec," which comes to Walton's Opera House, Stanford, on to-morrow, Wednesday night, is its peculiar quality of attracting people who are not classed among the regular theater goers and there is something in the title which seems to appeal to this class of people, and after witnessing the performance they become the best advertisers, as the play is devoid of any nauseating features and leaves a pleasant impression everywhere and return dates for it are eagerly sought. The fine band and orchestra carried by this attraction adds greatly to its entertaining features.

The Right Name.

Mr August Sherpe, the popular overseer of the poor, at Fort Madison, Ia., says: "Dr. King's New Life Pills, are rightly named; they act more agreeably, do more good and make one feel better than any other laxative." Guaranteed to cure biliousness and constipation. 25c at Penny's Drug Store.

Said a slender young lady named Jones:

"Yet it goes all the way to my bones."

### Dangers of a Cold and How to Avoid Them.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by the Stanford Drug Co.

A black boar, weighing about 175 pounds, came to my place Friday. Owner can get him by paying for this notice and his keep. Henry Logan, Stanford.

ESTRAY COW.—A light red cow, giving some milk, about four years old and showing little Jersey, came to my place three weeks ago. Owner can get her by paying for this notice and her keep. H. C. Walter, Hubble, Ky.
